Sir,

No. 47/W/97-98
S.K.

During my inspection of the Sri Yoga Narasimhaswami temple at Melkote on the 10th March inst, the following items of works were shown to me as requiring early attention:-

(1) A portion of the compound wall, which is located on to the Gopuram has given way, thereby causing a large crack. This has to be repaired

(2) There is a crack in the stone slab on the top of the stone frame in the main entrance leading to the steps. This has also to be repaired.

(3) A parapet wall is required to be put up around the small ~~hill~~ on the hill

(4) Lamp posts have to be fixed on the steps from the bottom to the top of the hill as for the convenience of the

pilgrims during dark nights.

2. I am directed to request that you will be so good as to depute one of your officers of the P.W. Deptt to inspect the temple and submit separate estimates for the above works.

3. The favour of a reply is requested.
